About This Content

This layout is inspired by the Okayama Prefecture, Japan. It is designed for busy train traffic, and features a great range of challenging sessions. There are also some display cabinets where you can put trains on for stationary display.

This layout is made up of several small routes which includes the following:

- Highspeed Shinkansen line in normal gauge
- Small overground loop line in normal gauge
- Tramline and branchlines in narrow gauge
- 2 large passenger stations
- 1 large container depot
- Several invisible tracks for exploring the route from a human perspective
