A loud crunch gets your attention. You see the bony backs of three gray-skinned creatures huddled together in front of you. They are human shaped, but unnaturally thin and hairless. You can hear wet slurping sounds as they eat from something lying on the ground. One of them looks up at you. Its mouth is bright red with wet blood. It bares sharp teeth at you as it growls. Suddenly, it jumps to its feet and rushes toward you!

- Punch the creature before it reaches me.
- Dodge the creature.
- Put my hands up to show that I am harmless.
- Think of a plan.
